DRIVE MEASURABLE RESULTS WITH MINI-GAMES™

Tuesday, March 16TH | 11:00 AM
SRC 3055 E. Division Street, Springfield, MO

SESSION DESCRIPTION

Mini-Games™ are small-scale incentive plans designed to correct a weakness or pursue an opportunity within your business. This highly interactive training session will give you the knowledge and confidence to design and apply effective Mini-Games™. **You'll learn to develop Mini-Games™ that:**

- Keep people focused on a common goal
- Encourage employees to work together instead of against each other
- Create line of sight between individual contribution and The Big Picture
- Target day-to-day improvements that add up to year-end success
- Reinforce business and financial literacy training
- Develop a winning attitude
- Get results and create wins

Participants will directly test their knowledge by breaking into groups to create Mini-Games™ for immediate use in their own organizations, a direct take home that will drive business results.
